service for 28 years

Daventry District Council scores on Doors

www.littleandlargecatering.com

Due to the volume of business Lunch's that we deliver Daily, we employ a specialist co-ordinator to make sure that your Lunch is prepared, plated up and delivered to your complete satisfaction.

This menu is especially designed to allow our clients to simply mix and match their platters.

Please be assured that our fillings are of a very high quality, for example we use Sliced Gammon Hams and not reconstituted meats. Sunflower Spread & low Calorie Mayonnaise etc.
